

LAURELS

International School

Prospectus

There are two things we should give our children,
one is 'Roots' and the other is 'Wings'

-Hodding Carter

A WORD OF WELCOME

Hearty Welcome to Laurels International School !!!

A dynamic and progressive school system is characterized by the extend and magnitude of the care it takes of its pupils and thereby of their future. Every child is genetically a genius. The task of education is to awake the child to his genius. The school should provide the stage for research and discovery, thought and insight, analysis and synthesis, exploration and creation. Laurels will leave no stone unturned to meet manifold needs of children - such as intellectual, emotional, spiritual and disciplinary. The school provides a stimulating environment to let the young ones to flourish and develop the qualities of character, integrity and social responsibility. The entire staff of Laurels is aware that it is at this stage the child begin to develop as an individual and important adjustments begin to take place in the child personality as a social and intellectual being. The simultaneous development of sensor-motor skills require in us to act as a facilitator, a friend, a guide, foster parent and collaborator at the same time.

We seek active co-operation and involvement from the parents so that our effort to strive scholastic excellence may reach fruition. We are fully equipped to meet the challenges for which the new world order calls forth. We pledge continuously to produce well balanced capable individuals and leaders of tomorrow who can blaze a new trial and make a qualitative difference to this temporary world.

THE PURPOSE

Laurels International School envisage to reach out to the heights of academic and human elevation, aiming at providing that re-incarnates all that is traditional with a rich blend of modern temperament.

We aim at providing :

- A conducive environment to the learners to maximize their potential.
- A platform to develop the ability to analyze and synthesize.
- A platform to think intricately about societal commitment.

"Making a Difference to Education so that Education can make a Difference to the World."

CREATIVE PHILOSOPHY :

We believe that every child is unique. Each one has a different pace of learning, which needs to be discovered by the school. Therefore, Laurels strives to understand and fulfill the individual needs of each and every learner. We tickle the imagination of our children so that they can grasp faster. We encourage them to explore, experience, experiment and discover their own path. We provide them with a stimulating environment where love, affection and joy brings out the best in them. We have an education system that builds the character of its students and empowers them in all aspects of mental, physical, emotional, social and spiritual growth.

You can expect the best possible care at Laurels where each child's physical, emotional and social needs are taken care of through :

- * Child Friendly Facilities
- * Creative Learning
- * Play and Exploration
- * Motherly Care
- * Homely Comfort
- * Interactive Learning

THE FACILITATORS :

Under competent leadership, the faculty extends education beyond conventional boundaries. Facilitating enriching experience, Laurels teachers are essentially equipped with the qualities of head and heart. They acknowledge different learning abilities, needs and styles of students and seek to optimize their learning by addressing individual requirements in a very positive and an all inclusive manner. Regular training and orientation programmes are organized for teachers from time to time to keep them abreast with the latest. They encourage the new generation not just to follow, but to overtake.

PARTNERSHIP WITH PARENTS :

Our relationship with parents is crucial to the success of the students and therefore, we consider parents as partners, giving importance to their involvement in the school's education process. A regular and meaningful communication between the school and home is therefore necessary and encouraged. A variety of opportunities are provided for close interaction with parents. They are:

- ✦ Parent orientation in the commencement of an academic year.
- ✦ Open house days to discuss the student progress and areas of mutual concern and interest (PTMs).
- ✦ Regular communication through the student Almanac/ Diary.
- ✦ Periodic circulars.

Excellent Infrastructure

- * Swimming Pool
 - * Smart Class Room
 - * Well stocked Library
 - * Sports Facility
 - * Auditorium
 - * Computer & Language Lab
- (Badminton, Basketball, Skating & Judo)

The Admission:

Selection for class 1st onwards is on the basis of an evaluation cum interaction with the child. Previous school record is also taken into account. The decision of the school panel is final. The management of the school, acting through its principal, reserves the right to grant or refuse admission.
